CHILDREN'S DANCE

"The Velveteen Rabbit," the classic story of how a toy becomes real through the love of a child, comes alive in a children's dance recital at Salisbury State College on Saturday, April 26. Sponsored by the College's Dance Company, admission is free to the one performance only matinee at 2 p.m. in Caruthers Hall Auditorium. Twelve area children, ranging in ages from four to nine, perform the Marjery Williams story under the direction of Dance Company members. Don't miss this children's classic, "the Velveteen Rabbit," at Caruthers Auditorium at SSC, 2 p.m. on April 26.

ADVENTURE CENTER

The Campus Recreation office has just opened an Outdoor Adventure Center located in Maggs Gym, Room 146. The Center is open to SSC students, faculty and staff who wish to rent camping equipment at low costs for personal trips. Equipment which is available to rent for the day and/or weekend include tents, sleeping bags, ensolite pads, backpacks, stoves, cooksets, saws, and water bottles, as well as canoes and trailer, paddles and life-jackets. Any item(s) may be reserved ahead of time, if available, or checked out on the departure date. All equipment is rented on a first come first serve basis. A valid ID is also required.

Outdoor Adventure Center operating hours are Tuesday and Thursday 3:30-5:00 p.m. and Monday and Wednesday 3:30-5:30 p.m. as well as by appointment. Contact Tina Naylor or Dale Duck, at the Campus Recreation office 543-6350.

CYCLING CLUB

The SSC Cycling club recently met and elected club officers for the Spring. Elected to office were, Bill Ford, President, Ted Wigler, Vice President and Terry Estep as Secretary/Treasurer.

Saturday morning rides will resume on April 5, and continue throughout the semester. All interested cyclists meet at the Maggs Gym bike rack at 10:00 a.m. Rides ranging from ten to thirty miles are arranged depending on interest and fitness levels.

Grab your bike and come on out to experience the stimulating exercise and to enjoy the spring beauty found on the back roads of the Eastern Shore!

BUSINESS

Pre-registration for Fall '86 classes is scheduled for April 14-25. Business Administration students must follow the procedure outlined on a special BUAD INSTRUCTION SHEET. Look for this special sheet in your pre-registration packet. (Additional copies are racked outside HH-326). This instruction sheet will help you prepare for pre-registration and will indicate whether you should attend a special BUAD Pre-registration session or to schedule an appointment with your faculty advisor.

YEARBOOK

Seniors: Yearbooks will be distributed to all students currently classified as Seniors by the Registrar. They will be sent to your permanent address, as listed by the Registrar, in September 1986. If this address is not adequate to receive mail at in September, please notify the Yearbook office (Tawes 107C) as soon as possible. We cannot be responsible for tracking down students if yearbooks are returned by the post office as "undeliverable".

Juniors: Two editor positions are available on the Yearbook staff. This organization is entirely initiated and motivated by students. If interest isn't expressed, there will be no yearbook published for the Class of 1987. Don't miss the chance to preserve the memories for yourself. More information can be provided at the Yearbook office (Tawes 107C).

Clubs and Organizations: We have requested in the past, that all student organizations provide their name and the name of their current president for inclusion in the Yearbook. As deadlines near, this is the final opportunity to be recognized by the Yearbook. Please provide the information to Tawes 107C as soon as possible.

WESLEY LECTURE

"Everyone's Talking Is Anyone Listening?" will be the subject of a presentation by Dr. Robert Wesley, professor of Communication Arts at Salisbury State College, at the Wednesday, April 23, Dorchester County Chamber of Commerce Annual Secretarial Luncheon.

The luncheon begins at noon at Clayton's Restaurant, Commerce Street, Cambridge, MD. The event is closed to the public.

"I've Been Cheated"

Dear Editor,

I am writing you this letter to voice my complaints concerning Blackwell Library. Through three, isolated incidents, I have come to regard our campus library with a great deal of scorn and contempt.

First of all, the librarians encourage us to go to the resource specialists. I went to one with the simple request of how to find a proper way to write a petition — no one could find the information I wanted.

Secondly, when I lost my library card, I bought another and was told that if the first card was found, I would receive a refund for the second card that I purchased. I did find my card and TRIED to get a refund that I was promised. I was informed

that lost card refunds WERE NOT the library's policy.

And finally, I went to the library to photocopy some papers and all I had was a ten dollar bill. The library only changes one dollar bills, but meanwhile, the lady in front of me received change for a five dollar bill!

Of course there are other little conveniences that the library readily provides — broken copiers, improperly shelved books, etc.

I believe in getting the most for my money (for example, the tuition I paid) and as far as the library is concerned, I'VE BEEN CHEATED!!

Sincerely,
No longer a library visitor!

WALK AMERICA

Dear Editor,

The 1986 March of Dimes WALK AMERICA event will be held on Sunday, April 27, 1986. This event is a major fund raiser to support research and education in the prevention of birth defects.

For those of you who don't ever exercise, are apathetic, or are normally too busy, this is a good chance to say, "I do care." Not only are you helping in the long run, but you could also be helping yourself or your children. With the odds, to have a baby with birth defects what they are, you never know.

Basically, there should be no excuses. If you're too lazy or too "busy", then either change your plans or get up off of your whatever and do some walking now to get into some sort of shape before the day comes. If you can actually say you're apathetic about this issue, then I say fine, and hope you aren't going to ever regret your indifference.

For a card to obtain a sponsor sheet, contact Gene White or Kathy Fox at 543-6372 or Vince Leisey at 543-6100. If you like, you can purchase an SSC/Walk America T-shirt for only \$2.50 on the morning of the walk at the starting location, which is the Salisbury Moose Lodge. The card can then be dropped off at the Info. Desk or mailed directly to the March of Dimes office.

The March of Dimes would greatly appreciate your interest and participation, and I guarantee you'll feel better about yourself as well. Prove to some people that some other people care as well; it will pay off in the long run.

Action! Action!

Dear Editor,

It seems that every issue of the Flyer contains an article about the student apathy on the campus of Salisbury State College.

The articles range from complaints about parking to the pub on Friday nights. We believe that the time has come to quit complaining and start acting.

A small committee has been formed to organize the elections of the Student Senate and the Appropriations Board. These two organizations are extremely powerful on this campus and are students' chance for self-governance. In order to stimulate more interest in the elections, eligible candidates are given a campaign budget and assistance with their campaigns. The election's committee has worked hard to foresee the future of SSC student government.

At one time or another most everyone has thought that the administration didn't listen to the students enough on an issue. Most everyone has wished to have more say in the decision making process of our school. Now is your chance! Elections for candidates will be during the week of April 25th. As well as elections, you, the students will have the chance to express your opinions on the latest issues on campus: The Great God Pan, The Honors house, parking, etc. It takes no energy or devotion to sit back and complain. The only cure for apathy is action! Vote!

The Senate in Progress

by Dornell Woolford

Senate President Brian Eichelberger called to order the third meeting this semester of the Student Senate. Eichelberger then proceeded with the committee reports.

Election Committee Chairman Mike Fitzgerald reported that each candidate running for a Senate seat must have at least thirty signatures to announce his candidacy. The candidates with the required number of signatures will be given a \$25 campaign fund for the sole purpose of "campaigning more effectively," he added.

As for the voters, students will be asked to fill in along with their choices for Senate officers, their responses to five referendum questions pertaining to issues concerning the college. Chairman Fitzgerald also added that even with completing the questions, voters will be able to "get in and out" of the polls as quickly as possible. Votes will be taken on IBM mark sense sheets in both the Dining Hall and the College Center.

Students Affairs Committee representative Malla Prather announced that the gate will be constructed at the completion of Chesapeake II. The gate, or "fence" which became an issue at the first Senate meeting this semester, will allow students much easier access exiting the campus. The gate, with lights, will be placed somewhere on the corner near the traffic light.

Prather's report also cited the committees ideas for next Fall's Freshman Orientation Classes. Student Affairs suggests that the orientation program include

more of the Students Orienting Students (S.O.S.) classes. Prather noted that freshmen feel more comfortable with "an upperclassman instructor."

Senate Vice President and student representative for the Calendar Committee Mike Condon, reported that the SSC Forum has comprised academic calendars for several years to come. The Forum had a major problem with designating Spring Break. "It was never really an issue to eliminate Spring Break," said Condon. The Forum had thought of making Spring Break a three day holiday, much like Thanksgiving. "That's why the student point of view was so important," Condon said.

Spring Break will be placed between the sixth, seventh or eighth week of the spring semesters, depending upon when Easter is celebrated. Spring Break for next spring will begin March 27, concluding on April 5.

After the committee reports the Senate focused its attention on the "Old Business." The "Old Business" in each of the Senate sessions involves issues brought forth during the Senate's last meeting.

The main thrust of this session's Old Business concerned Blackwell Library. There were lengthy discussions concerning the Xerox machines. There was one move to keep both machines on the first or second floors together in a less disturbing location — possibly a room. After a vote, it was decided that the machines should remain where they are.

One student suggested that a

Xerox machine be placed in the College Center. Her suggestion being, that whenever a Xerox machine malfunctioned in the library, students had no where else to turn for duplicating services.

Another Library issue raised concerned the pay telephones. After some discussions ranging from: removing both the phones, removing the phone most visible (near the Xerox machine), or placing the phones in the lobby between the double doors; a vote was taken. The vote was to remove the pay telephone, closest to the Xerox machine from the Library.

"The overall problem in the Library is the noise," stated Senate President Eichelberger. There was a complaint about the vacuuming during the day and night, which has interrupted several students from their studies. No vote was taken, but Eichelberger urged students to respond to the Senate Office if the vacuuming continues to disturb studying.

Continuing with the noise issue, Eichelberger added that students, themselves, are responsible for a considerable amount of the noise. Although there is no way to totally eliminate all of the student noise, there should be a way to decrease it. Eichelberger suggested that those students who do not feel comfortable asking others to be more quiet, should take their complaints to the front desk. The identity of the person complaining will not be revealed.

The Senate will take these decisions back to the Library ad-

ministrator Mr. Thrash, in hopes that some resolution will be achieved.

Most of the "New" Business during this session centered on an issue raised by Jay Phillips. Phillips would like the college to agree to a commitment to purchase off-campus fraternity/sorority houses within the next ten years. These were varied opinions on the "Fraternity Row" idea.

"the 'fence' which became an issue at the first Senate meeting"

One female student felt perhaps if the college would agree to such a proposal, the residents in those houses would probably be subjected to college policies. She concluded that life in "Fraternity Row" would be very similar to life in the dorms — even the parties!

The fraternity "investment" idea was not thrown out, but it was suggested that he research on how other academic institutions purchased and governed their "Greek" housing.

One final note for New Business, Eichelberger mentioned that a banquet has been set tentatively for May 5 for all senators, dorm representatives, committee members and faculty members who have consistently participated or contributed ideas to the Student Senate. Awards will be given at the banquet.

The meeting was adjourned until the next session on Tuesday, April 22 at 3:30.

SAE Maryland Cup

By Wesley Scot White

The brothers of Sigma Alpha Epsilon at Salisbury State College are proud to announce the 1st Annual Maryland Cup, a sports weekend drawing brothers from various colleges throughout Maryland, scheduled to take place on the weekend of April 25, 1986. The brothers and their little sisters are expected to come from Towson State University and the University of Maryland, Baltimore County. The festivities will take place at Assateague Island, where the contestants will also camp out.

Events scheduled are football, softball, volleyball, basketball, soccer, croquet, badminton and miniature golf. Points will be assessed to the winner and runner up in the event, the

cumulative winner will walk with the CUP. There will be prizes awarded for the runners up. There will be an entrance fee that will cover tee-shirts, prizes, housing (tenting) and a farewell Banquet at the end. The brothers of SAE at Salisbury State College look forward to seeing any and all SAE's and Little Sisters at the event.

Election Procedures for 1986-87 Student Senate

The Student Election Task Force is pleased to announce the elections for student government offices will be held from April 21-24, 1986. These elections will be for the 1986-87 school year. Also on the ballot, will be five referendum questions concerning the college and student life.

Student Election Task Force

The election is being coordinated and run by the Student Election Task Force. This Task Force consists of Pam Emory, Michael Fitzgerald, Rena Hayes, Craig Poorbaugh, and Walter Willy. Their main duties are: to solicit candidates for the offices, identify key issues to be decided upon by the students, and to run the voting procedures and count the ballots. This is the first time in two years that the students have had the opportunity to vote for their leaders. The last election, in 1984 had a total of 135 votes cast. This group of students have worked very hard to set up this election. With your vote, you will demonstrate to the administration that SSC students are concerned about the issues that effect them and the college as a whole. So come out and vote for the student leaders that will voice your opinions.

The Student Election Task Force announces spring elections for the 1986-87 school year.

Seat Belt Safety

by Leslie Floyd

In an effort to reduce accidents and fatalities, a new mandatory seat belt law is on the verge of being passed. This new law is to go into effect on July 1, and will make it necessary for the driver and front passenger to wear seat belts. Police cannot pull you over for not wearing your safety belt, but if you are stopped for some other reason and you don't have it on, it will result in a \$30 fine to the driver of the car.

In an effort to increase safety belt awareness on campus, Health Education and Public Safety have started a Seat Belt Program to try to increase seat belt usage. The first part of the program involved a survey of cars at SSC. Of the 662 cars surveyed, 329 were students, 217 were faculty/staff and 116 were visitors. The students were found to have the lowest percentage of use, only 21.5%.

Faculty/staff and visitors tied at 31%. These figures are low, but are much better than the national average of only 13%. The rest of the program includes another survey in May to see if usage increased, bumper stickers on police vehicles, signs at all exits from the college, pamphlets on seat belt myths, and the "Persuader" at the Wellness Day.

The "Persuader" is a device designed to show people that even at low speeds a seatbelt can restrain and keep you from being injured. A person gets into the "Persuader", buckles up, and "crashes" into a barrier head on. The "Persuader" will be in use at

"Wellness Day", April 28th from 10:00 a.m. to 3:00 p.m.

These are some excuses people use for not wearing seat belts, and why they are actually very poor excuses.

"If I wear a safety belt, I might be trapped in a burning or submerged car!" However, less than one-half of 1% of injury producing collisions involve fire or submersion. Also, if you don't wear a seat belt, you could be knocked unconscious and not be able to escape.

"I might be saved if I'm thrown clear of the car." Actually the chances are 25 times better of being killed if you are thrown from the car.

"I don't need a safety belt when I'm traveling at low speeds or going on a short trip." More than 80% of all accidents occur at speeds less than 40 mph. Fatalities have occurred at speeds of only 12 mph. Plus, 3 out of 4 accidents occur within 25 miles of home.

Traffic accidents are the leading cause of death for people 38 yrs. old and under. College age people are over represented in this group. If everyone wore seat belts, there could be as much as a 50% reduction in deaths and injuries. As Jim Phillips, Director of Public Safety, said, "When your car is going 55 mph, so are you. If that car suddenly stops, what's going to stop you is the dashboard, the windshield or the safety belt." I think we all would rather it be the safety belt. Please buckle up!

Parking Problems

by Leslie Floyd

Everyone who drives on campus has probably noticed a problem parking their car. Because of the construction of the new College Center, 194 parking spaces have been lost in the Dogwood lot. This has created an even more severe crunch on parking than ever before. Another potential problem will come with the completion of Chesapeake II and the estimated 200 additional cars the students there will wish to register.

"Where do I park?", seems to be a common question nowadays. There are several options open to students. Students can park on both sides of Dogwood Ave. or in vacant lots. One idea, still in the planning stage involves the use of space near the athletic fields and providing a Shuttle Bus to get students to and from the College.

Director of Public Safety, Jim Phillips, has discussed the creation of more parking spaces by enlarging the Caruthers parking lot. Four hundred additional parking spaces will be added by using the circle by

Maggs, the hills behind the Dining Hall, paving the sidewalks by Caruthers, and by closing the North Entrance and creating a new entrance by the loading dock of the dining Hall. This should be completed by September.

Mr. Phillips of Public Safety has an idea that may also help with the parking problems. He proposes that instead of the present green, brown and blue stickers, a one color or sticker system will be started. Because of the new College Center, it will be more desirable to park in Dogwood, as more commuters would probably park there, taking some of the pressure off the Caruthers and Devillbiss lots. Another proposal by Mr. Phillips is that each registered will cost \$10. This could help stop sticker fraud where people will get two stickers and give or sell one to somebody.

The Department of Public Safety would appreciate any student opinions on the proposed plans. Please contact Public Safety at 543-6222 or just drop by.

Sigma Alpha Epsilon Daytona Beach Raffle

By Wesley Scot White

The brothers of Sigma Alpha Epsilon at Salisbury State College are currently selling Raffle tickets for a Daytona BEACH Vacation, as a fundraising event. Accommodations include a double room at the Daytona Holiday Inn On-the-Beach, round trip tickets from Baltimore to Daytona, and the use of a car which can be picked up at the airport. The trip is tentatively scheduled for the weekend of June 3rd 1986, but

can be changed to fit the winners personal needs. The drawing will take place on Friday, April 25th at noon in the College Center by Carol Williamson, Dean of Students. Tickets are on sale daily in the college center for \$2 dollars or can be purchased from any SAE Brother. The trip is sponsored by Sigma Alpha Epsilon in conjunction with the V.I. Travel Agency.

Room Selection

by Jamie Hinely and Vincent B. Goldsmith III

The Housing Department has released its room selection policy for all dormitories including the housing facility at Peninsula General Hospital and the new Chesapeake II. The room selection process starts with the reserving of the room. In order for a student to reserve a room he/she must first be eligible for a dorm room. They must also provide the \$120 housing deposit before the deadline of April 11th.

The reservation process will be done through a priority system. With the different priority groups being broken down as follows: Group A-students who wish to remain in their current room. Group B-students living on campus wishing to change their current room assignment to another

on campus. Group C-students who are living off campus now and wish to live on campus next semester.

An individual with a high priority can "pull" another individual with a low priority as his roommate. For instance a sophomore living on campus can "pull" a sophomore living off campus into a highrise room by simply requesting him/her as a roommate. However, both students must be eligible for housing before this can happen.

In order for a student to be eligible for residence in Dogwood Village he/she must be in good academic and social standing.

Chesapeake rooms must be reserved as rooms and not as suites. However, if an individual

or group of individuals would like to reserve a suite for their group they can contact the Housing Office for the information.

Gerontological Association Conference

By Wayne Ackerson

The Maryland Gerontological Association will hold its Fourth Annual Scientific Meeting and Conference in Annapolis on May 2, 1986. The meetings will be held in the State Office Building. Registration will begin at 8:00 a.m. in the lobby of the building on Bladen Street.

The Association is a statewide organization and promotes the dissemination of information in the field of aging and provides forums for the discussion of relevant research, education and policy in the wide area of gerontology. General topics for the upcoming meeting include the Future of Long-term Care, Ethics in the field, Innovative programs for the elderly, living environments for the elderly, legislative issues for older adults, as well as

Bio-medical research of issues related to aging.

Of particular note is this year's recipient of the Certificate of Recognition, Matthew Tayback. The award is presented to the individual who has made a significant contribution to the field of gerontology in the state of Maryland. Dr. Tayback is the director of the Center on Aging at Johns Hopkins, Baltimore. He was a founder of the Association and served as the first president, and remains an active member of the Board of Directors.

Dr. Tayback will be participating in the presentation entitled "The Past, Present, and Future aspects of Aging in Maryland", as well as speaking on the history of gerontology in the State.

S.O.S.

"Student Orienting Students" (S.O.S.), is recruiting twenty student-instructors for next fall semester. S.O.S. started on a pilot basis last semester and involved 92 freshmen resident students in eight different sections of college orientation seminar. Each seminar section was taught by an upperclass student-instructor.

The focus of the S.O.S program is to help freshmen develop academic survival skills and a support network among their peer group. Out-of-class activities include one-on-one study sessions and entire sections attending several campus activities together. Sections are kept small, limited to approximately ten freshman, to facilitate interaction and the development of relationships within the group.

Student-instructors receive training and are assigned a faculty resource person to provide assistance throughout the program. They receive a \$250 stipend. To qualify for consideration, students must have residence experience and must live on campus during the fall 1986 semester. A minimum grade point average 2.5 is also required.

An interest meeting will be held at 8:00 p.m. on Sunday, April 20, in the Chesapeake Room of the College Center. Applications will be available at the interest meeting. An orientation meeting will be held the following week, on Sunday, April 27, at 8:00 p.m. in the Chesapeake Room of the College Center for those selected as student-instructors.

New Club on Campus!

The International Students Association of Salisbury State College.

The International Students Association has been reestablished! The Association provides an opportunity for cross-cultural experiences through various social activities. The Association is organized to expand one's cultural and intellectual horizons, and to help integrate international students on campus. This organization is open to all foreign and native students as well as faculty, staff and community people who have international interest and/or experiences.

It provides an informal atmosphere for students and faculty to join together to share their common interests. Various activities such as formal dinner parties, films, field trips, guest speakers, fund raisers for local charities are planned for the spring semester.

Officers and advisors have been selected. The president of the club is Gita Patel, and she represents Zambia and India, the Vice-President is Kalia Arghyro from Crypus, Treasure is Jim Lashley - U.S.A., Secretary-Theresa Bennett - U.S.A. The Sub-Committee includes: Mitch Teunohe-Peru, Paul McAndrew-U.S.A. and Caroline Temu of Tanzania. The International Association is co-advised by Mrs. Wendy Ang and Mr. William Palmer. Various other countries are represented in the organization they include: Pakistan, Malaysia, Puerto Rico, Canada, Bermuda, Ireland, Taiwan, China and Armania.

Women's Lacrosse Looks Hopeful

The 1986 season may be the best ever for women's lacrosse at Salisbury State College. Karen Weaver, who has been head coach for four years now, is optimistic about the returning experience and also the fresh new talent that this year's squad provides.

"The players have been learning skills in the past, but this season they seem to have a better understanding of the game," said Weaver, who led the lady Gulls to a 2-9-1 record last year. "Their attitude and knowledge will result in a successful season."

Only three players are not returning this spring (two defense and one attack). That fact plus the added experience and incoming talent will assist SSC in matching up equally to its many competitors.

SSC returns two outstanding goalies while adding another in the 1986 season. Terri Buysse recorded 133 saves (52.8 percent) and has been excellent in pre-season workouts. Barbara Butler also returns from last year's squad. Freshman Nicolle Darn from Fort Washington will also provide some outstanding play with her abundance of athletic ability.

For the Gull defense Sheila Conley and Brenda Bowlin return as key starters after playing a solid game in their freshmen year. Another defensive player expected to appear is Dora Scalco who played basketball for the Gulls during the winter.

The Gulls midfield looks to be strong in 1986 with junior captain Stacy Stem returning from an All-Region year last season.

She is a threat to go end to end according to her coach. Linda Lombardi and Kim Marlatt are both new to the Gulls, but each will be expected to play because of their talent and experience. Two-year starter Tracy Hoover, returning for her third year is again expected to have another outstanding season. Irma Delgado, Sue Siok, and Mary Adams are three first year players who have talent and athletic abilities to make strong contributions to the team.

There is an abundance of strong attack players and Weaver will look to each one to help during the season. Senior Claudia Hession returns as the Gulls leading scorer at first home. However, Patti Schlegel, and Yetive Routt, are very talented freshmen waiting in the wings.

On the line attack Susan Seling had 19 goals and four assists last season to tie for second on the team in points (23). The teams fourth top point getter, Lisa Thomas also returns after scoring 19 points last season. Also expected to aid in the attack are Ava Hartman, Karen Szymanski, and Salisbury local Jenny Alexander.

"I think if we play to our potential, we will have a strong season. We have a demanding schedule, but I think our kids will come through," commented Weaver. "It's going to be an exciting season for women's lacrosse."

The lady Gulls lacrosse team is ranked seventh in Division III last week. This is the first time ever that the team has been ranked since its inception four years ago.

SSC Baseball Struggling

by Wayne Ackerson

The S.S.C. Baseball team, after a nightmarish Spring Break road trip during which they dropped to a 5-11-1 mark, is trying to get back on their feet again.

Although C.R. Murphy paces the Gulls in wins (2), his ERA of 6.49 is only slightly better than that of the team (6.78). Overall, the staff is proving adequate but respectable, yielding 160 hits in 134 innings so far this spring. Ted Peters (1-3), Craig Shreeves (0-3), and Leo Kelm (4.96 ERA: 1-1) are other pitchers of note.

Hitting is apparently no problem so far. Despite only 2 homers, the Gulls are batting over .300 and are very quick on the basepaths having nabbed 45 bases. Leading the Gulls in batting so far is Rob Lippy (.399), Bruce Matthews (.357), and George Oursler (.316). Drawing the most walks is Bret Buccini (10) and leading in stolen bases is Oursler (9/10) and Chris McDonald (8/10). Fielding was a slight weakness, for the Gulls had committed 43 errors in 17 games, but they are looking smoother in recent play.

Pepsi-Cola Awards Grant to Wheelchair Games

Pepsi-Cola has announced that they will award a \$1000 grant to the Maryland Wheelchair Athletic Games scheduled for April 25, 26 and 27 on the Salisbury State College campus.

"The grant will be used to underwrite some of the expenses," said Scholarship Chairman Don Broderick. "Many of the wheelchair athletes do not have the funds to attend the games, but with the grant from Pepsi-Cola, we will be able to provide the registration and travel expenses for many of the participants."

The grant will underwrite the registration fees, meal expenses and transportation costs for many of the wheelchair athletes who would not otherwise be able to attend the games.

"This is the first time we've ever been provided some funds," said Broderick. "We hope to bring more wheelchair athletes to the games that would not have been able to compete before."

Broderick also hopes that the support shown by Pepsi-Cola will encourage other companies to help.

"We are hoping to increase the funds in the future," added Broderick. "Each year there are a number of athletes that just can't participate because of expenses. And, although we can't pay for everyone, we can provide some support thanks to Pepsi-Cola."

The fifth annual 1986 Maryland Wheelchair Games will have an \$18 registration fee. Everyone interested in participating or those knowing a needy athlete, please contact Don Broderick, c/o Maryland DNR, 122 Arlington Road, Salisbury, MD 21801.

April is the Month for Dancin'

"April is the cruellest month," T.S. Eliot wrote. For students at Salisbury State College, however, it may be one of the kindest as they travel throughout the peninsula in coming weeks bringing dance performance programs to shut-ins at area nursing homes and live theatre to Eastern Shore children. On Sunday, April 20, the SSC Dance Co. performs folk dances in a round robin of nursing homes, the first in Snow Hill. The theatre production, an adaptation of the fairy tale, "Hansel and Gretel," premieres Friday, April 18, also in Snow Hill at the Middle School there.

For SSC Dance Company director, Kathryn Martin, this is the second year she has taken her young dancers to nursing homes to perform before elderly residents. "I've

always felt that it is an obligation we have," she said. "To be able to do something for the people is such a thrill and they (the shut-ins) love it." For many of the young dancers, the performance is an eye opener as well. "A lot of the students have no concept of being old and being in a nursing home before the visit...I don't think they realize (beforehand) how much joy they bring to the people by dancing." The SSC dancers are performing their folk dance program for nursing homes in Worcester and Wicomico Counties.

Kristine Lococo (a 21-year-old Communications Arts major from Ocean Pines) with the help of her cast is creating a playful adaptation of "Hansel and Gretel" for area children. Using music as eclectic as the Englebert Humperdinck

operatic version of the story combined with pop standards like "Mr. Sandman," their 40-minute adaptation emphasizes the humorous and light aspects of the Grimm Brothers tale. With talking trees, colorful costumes and a witch that is more funny than frightening, their goal is "getting the children involved" in live theatre performance, Lococo said. Although this is a new project for her and the other students, their calendar is almost filled with bookings at elementary and middle schools throughout the lower Eastern Shore.

The dance and theatre students also will be performing as part of the Salisbury Festival's "Arts on the Plaza" celebration.

The SSC Dance Company performs for the Salisbury Festival on

Saturday, May 3, at 11:30 a.m. and 12:30, 1:30 and 2:30 p.m. Its spring concert is Saturday through Monday, May 10-12. For more information on Dance Company performances, call 543-6353.

"Hansel and Gretel" is currently scheduled for Saturday, May 3, at noon or 2 p.m. A Sunday, May 4, matinee at SSC will be performed at 11 a.m. in Caruthers Hall Auditorium. General admission for the latter performance is \$1.50. For more information, contact Dr. Andrew Hepburn at 543-6233.

Band Spring Concert

Sophanes, the student theatre group, will present "The Spiral Staircase" on April 25 and April 26 at 8:00 p.m., and April 27 at 2:00 p.m. It also will be presented the following week on May 1, 2, and 3 with all shows starting at 8:00 p.m.

Candace Swift, who is directing her first play and is president of the Sophanes, said she chose the play because, "It is a mystery drama and we have not done a mystery since I've been at S.S.C. I thought it would be a great deal of fun to do this type of play." Swift said that the play had

some really good parts for women. "The women's roles, as well as the other roles in the play, are very demanding and challenging."

Tickets are \$2.00 for non-S.S.C. students and Senior Citizens, \$4.00 for adults, and the admission is free for all S.S.C. students and Faculty. All shows will be at Holloway Hall "On Stage" Theatre. For reservations call 543-6228. Tickets will be available at the College Center Information Desk and the Caruthers Hall Box Office starting April 21.

"The Spiral Staircase"

By Michael Imbasciani

The sinister world of the crazed "whodunit" comes alive at Salisbury State College on Friday, April 25, when the Sophanes players present the stage adaption of the classic movie mystery, "The Spiral Staircase."

Produced by Sophanes, the SSC student theatre club, "The Spiral Staircase" plays at 8 p.m. on Friday and Saturday, April 25-26, and Thursday through Saturday, May 1-3. One matinee is scheduled for Sunday, April 27, at 2 p.m. The production is at Holloway Hall on-stage.

Like the stage play, the filmed version also was taken from another source, the novel, "Some Must Watch" by Ethel Lea White. When the movie melodrama was released in 1946, *Time Magazine* called it "choice, eerie entertainment" and *Newsweek Magazine* said it was "a successful exercise in accumulative terror."

The setting is an ancient house on a stormy night at the turn of the century. Its plot is devoted to

discovering who within the house is the psychopath trying to murder Helen, a mute, innocent maid servant. Although Helen "...speaks only nine words, (the drama) builds to a tense climax when those words are uttered. On the way occur enough stomach-clutching moments to make "The Spiral Staircase" the best thriller in a long, long time," *Life Magazine* said when the movie premiered.

Candace Swift, Sophanes president, is directing the SSC production under the guidance of Dr. Andrew Hepburn. Set design is by Sharon Shriver and lighting by Mike McCormick.

Cast members include Jennifer Shobert, Robyn Wesley, Steve Jennings, Jim Grattan, Carrie Zasko, Kristin Franks, Mark Munafo, Bob Forester and Melissa Wooten.

Tickets are \$4, students and senior citizens \$2. For reservations, call the Theatre Box Office at 543-6228. For group information, call Dr. Hepburn at 543-6233.

The Velveteen Rabbit

by Janet Salomone

The SSC Dance Company will be sponsoring "The Velveteen Rabbit," the classic story of how a toy becomes real through the love of a child, come alive in a children's dance recital at Salisbury State College on Saturday, April 26.

Admission is free to the one performance only matinee at 2 p.m. in Caruthers Hall Auditorium.

Twelve area children ranging in ages from four to nine will perform the Marjery Williams story, which has delighted readers for three generations. Recorded narration is by Meryl Streep, most recently starring in the award-winning film "Out of Africa."

The recorded musical accompaniment is by George Winston. "The Velveteen Rabbit" tells of a little boy's favorite toy, which yearns to become "Real." Although the much loved stuffed animal is marked for destruction after the boy becomes seriously ill, a miracle of love provides a happy ending. SSC Dance Company director, Kathryn Martin chose "the Velveteen Rabbit" for this year's children's recital after hearing the Winston/Streep

recording. "I thought it has a lot of movement possibilities," she noted, and the children get to dance a variety of nursery characters including a horse, toy soldiers, a Care Bear and other animals.

SSC students Jackie Cole and Joan Hendricks are conducting classes and rehearsals, assisted by other members of the SSC Dance Company. Jackie Cole plays the gruff Nana and Joan Hendricks dances the Nursery Magic Fairy. Dance Company members are also creating the costumes and settings. Choreography and sound are by Mrs. Martin.

Jennifer Ang dances the title role, Heidi Bowman plays the Little Boy and Katherine Pfeiffer portrays the wise Skin Horse. Other cast members include Jessica Barrett, Katie Waldron, Jenna and Stephen Alls, Benjamin Hudson, Sarah Thompson, Danielle Mason and Kristen Phillips.

The production is 40 minutes long and there is one intermission.
